

## Scholarship for

# Be a part of the bright future of our youth in Region 10!

In 2018, Linden Fund USA launched an ambitious education initiative in Region 10 and renamed it the *Eustace "Sammy" David Scholarship for Success* in 2020. It supports one entering Grade 7 student in each of the seven secondary schools throughout the standard five years of their secondary school career. In the 2022-2023 school year, the entering Cohort 5 brought the total to 35 students, the full complement of students to be sustained in the ongoing program.

Regional Education Department personnel and head teachers, along with LFU Guyana Inc. staff, identify students who demonstrate aptitude at the National Grade Six Assessment (NGSA) exams and offer them support to focus on their academics without their families stressing about books and uniforms. Participating schools are Mackenzie High, Wismar Christianburg Secondary, Linden Foundation Secondary, New Silver City Secondary, Wisburg Secondary, Harmony Secondary, and Kwakwani Secondary.

The primary funding source for the *Eustace 'Sammy' David Scholarship for Success* program is families, groups, and individuals like you. Your sponsorship dollars are tax-deductible and you will receive an end-of-year tax letter reflecting your contributions. Thank you for supporting our youth!

**LEFT:** Cohort 6 students are presented vouchers at LFU Office. A total of 35 students per year are supported in the program.

**RIGHT:** Summer Enrichment activities were conducted at the LFU office, enabling all the cohorts to bond outside of the classroom.
